

Ramset

T4
SINGLE SHOT

The Preferred Tool for the Mechanical, Electrical, and Plumbing Trades

Ramset's T4SS is the best balanced tool available and is easy to use overhead and in tight spaces.

► ramset.com

More Power, Better Reliability

Adjustable depth of drive for optimal performance

Tapered Design:
The tool is engineered to reach into tight areas

Auto shut-off/on avoids drain on lithium-ion battery

Smaller 510-shot fuel cell to keep better track of the day's progress

Fuel and battery gauges eliminate interruptions

Preassembled fasteners for seamless working conditions

Scaffold hook keeps your tool within reach

Common Applications

Clip Assembly to Concrete or CMU Block

HVAC Duct Strap

Electrical Fixtures

Advantages

- Higher stick rate than industry standard

- Easy push-down force decreases user fatigue

- 30% more power to work in hard concrete

- Preassembled fasteners for optimal job performance and easy ordering

- Drives pins flush to create full embedment

- Superb balance leads to optimal user experience

Product Specifications:

- Part number: T4SS
- Weight: 7.60 pounds
- Battery Capacity: 3,500 shots
- Operating temperatures: 5°F - 120°F

T4SS Tool Kit:

- T4SS Tool
- Safety glasses
- Two lithium-ion batteries
- 1 battery charger
- User guide and safety manual

T4 Pole/Cup Accessories:

- Cup Part Number: T4CUP
- Pole Tool Numbers:
 - V4-6: 6' Pole
 - V4-8: 8' Pole
 - V4-EXT: 3' Extension (no trigger)

The Preferred MEP Tool
